Mina,

I got your name from [redacted] and wanted to reach out. I am looking for candidates who would be interested in a long term front end dev role.

It is for a social good issue and the role would be leading a team of other devs to build a site, microsites, think mobile first, and someone who can work across teams to manage, design and implement a great UX experience for millions and millions of people.

Love to talk more if you are open to a conversation and I can explain more on the phone.

Let me know. Cheers, [redacted]

Dear Mina Markham,

On behalf of Hillary for America, I am pleased to offer you the position of Front End Engineer. We are confident that your knowledge, skills, and experience will be among our most valuable assets. Together we will work to give every family, every small business, and every American a path to lasting prosperity. It's larger than each of us – it is about working for everyday Americans who are trying to build a better life for themselves and their families. With this job offer, you will be eligible to receive the following.

An **18-month**, nationally televised **hackathon**.
